www.acornholidaypark.co.uk

Do you allow pets?

Small pets that do not make a noise or disturb other owners are permitted at the discretion of the site owner. Dogs are allowed but they must be kept on a lead at all times and all dog waste must be cleared up.

What about gas safety?

All holiday homes when sold are tested for gas safety and all appliances will be working and safe. It is also a condition of the site license that all holiday homes are gas tested by a registered engineer annually.

What do I do if I want to sell my holiday home or upgrade in the future?

All sales on the park are handled through the office and a charge of 15% plus VAT is payable on the sale price. All holiday homes are gas tested when sold and the vendor pays the cost of this and any remedial work required.

Can I have my own holiday home sited at Pisces Country Park or Acorn Holiday Park?

Our plots are filling up fast and unfortunately this means that you must purchase your holiday home from us.

Do I need insurance?

A copy of the rules will be given to you prior to the purchase of your holiday home and these form part of the licence agreement. We offer every opportunity to remedy minor breaches of the rules but do not tolerate bad language, violence or threats.

Can I have decking, patios or a shed?

Yes, although you must seek approval and guidance from the office to make sure that you are complying with fire regulations. Storage boxes are allowed but wooden sheds are not permitted. A distance of 3.5m must be left between decking and the neighbouring holiday home.

Where do I park my car?

Some holiday homes have parking, but we also have a car park for owners to use.

Please contact the office on 01354 610257 if you have further questions, we look forward to having you as a new addition to our family run park.
